This is a beauty, Solid Build and a beautiful drive. It really is worth inspection and a trip will not be a waste of anyone's time. The drive is perfect and this 1.6L diesel always had that bit extra when it was required. My first drive in a Ssangyong and it was a revelation. I'm a fan.

Take a look through the pics, have a read through the Extras on this model and keep in mind that the build quality is 2nd to none. Then just call in for your test drive. No appointment necessary.
