LOW MILES FANTASTIC COLOUR

October 2016 Renault Captur. Doesn't it look well, we sell a lot of these and we love to sell them. The 1.5L dCi engine is a well proven, reliable and economic. We simply don't get any major problems with these cars and many of them including this one qualify for free road tax.

Have a good look around and you can see for yourself, the number of Extras is impressive for a car of this class. The electric windows and door mirrors are there, the Satnav and usb/aux/bluetooth connectivity for the media device and playlist and of course full phone support with contacts and recent call data.

Call in for your test drive, no appointment necessary.
